Musician's Hotel Q&A Day Two

SXSW 2005

By Mike Levine

Apr 5, 2005

One of the highlights of the entire Musician's Hotel was provided by **deSol**, an up-and-coming band from Asbury Park, New Jersey, and who are signed to Curb Records. The six-piece group appeared onstage and rocked out with an acoustic set of their high-energy, Latin-influenced pop/rock. They interspersed the songs with explanations of the various Latin percussion instruments that their two percussionists were playing. It was hard to tell who was having more fun, the band or the audience.
