### deSoL

- Event Schedule
- About the Bands

*" Rock Lives: Beyond Springsteen and Bon Jovi... (deSoL) has been making a splash not only down the (Jersey) Shore but across the country. ... (deSoL is) part of the march of Latin music into the mainstream." - New York Times*

The music of deSoL is a fusion of rock/pop, and Latin rock music with a mix of English and Spanish lyrics. deSoL, the Asbury Park, NJ alternative Latin rock band signed to Curb / Reprise Records has a vibrant and colorful live show. The infectious display that forces audience members out of their seats has been pivotal in seeing deSoL earn praise in The New York Times, Boston Globe, New York Post and a guest appearance on nationally syndicated The World Cafe radio show. In 2004 they went to the Latin Grammy's, walked the red carpet while being interviewed by such affiliates as E Entertainment, NBC.

deSoL received a great response when they headlined a Miami Dolphins half-time show on the 50 yard line at Pro Player Stadium in Miami against the New York Jets. The Miami Dolphin cheerleaders made up a dance routine to deSoL's song "Chica de Miami". In December deSoL supported R.E.M. at Palacio de Los Deportes in Mexico City and completely blew up the crowd of over 16,000 people. Recently they had a month long tour with Dirty Dozen Brass Band and now are on a 26 city tour with The Wailers through mid May. This summer deSoL will be routing to many Triple A radio markets along with performances at Lollapalooza 2005 in Chicago, Jazz Aspen Snowmass and Austin City Limits Music Festival.
